Mobile Birthday Party

Frequently Asked Questions

Celebrate your birthday surrounded by fish and hermit crabs for a day to never forget. We currently offer **three** different **Mobile Birthday packages** tailored to the birthday experience that suits you the best!

Here are some tips from us to make your experience even better:

What is a Mobile Birthday Party?

We will visit your location with live ocean animals to see, animals to touch, and some of our favorite activities:

Party at the Beach - Mobile Beach Party

1. Our diver will show you the "Catch of the Day" which may include sea stars, urchins, hermit crabs, eels, and more.
2. Kids get to touch live ocean animals.

3. Choose between Shell Carving (ages 3+) or Jewelry Making (rec. ages 8+) as a cool make-your-own take home gift.

Shirts and Shrimp - Mobile Party or Finding Kimo Mobile Party

1. Opa Ula Pet Shrimp Aquarium making: comes with "mini home" aquarium, water, decoration, shrimp, and lid.
2. Gyotaku T-shirt Printing: decorate your own shirt by printing an imitation fish or shell, or Nemo or Dory

What locations do you visit?

Party at the Beach: We visit Ala Moana Beach Park, Magic Island, and Maili Beach.

Shirt and Shrimp: We can visit any location on the island of Oahu. A minimum transportation fee of \$30.00 applies for *all* mobile birthdays. Locations we have visited in the past: residential areas, clubhouses, school cafeteria, libraries, large event spaces, rental locations (i.e. Okinawan Center, Aloha Tower, hotel conference rooms), etc..

What type of event is this package good for?

Our mobile party packages are suitable for birthdays but also for graduation, weddings, 1st year birthday parties, sports teams, parent nights, Christmas parties, and much more. Package can be adjusted when needed.

What location requirements do you ask for?

Party at the Beach: Any beach party works. We will send you a map with directions where to meet our guide.

Shirt and Shrimp/ Finding Kimo: Please provide a suitable environment for our program. The location should be inside, out of direct sun light, in an air-conditioned or well ventilated room on the ground floor or with access through elevator or ramp. Due to the many heavy materials brought, we cannot go up any stairways. Outside areas may be suitable if well ventilated, out of direct sunlight, and free of wind. Please provide parking or off-loading as close to the actual room as possible.

Do you require any table space?

Party at the Beach: No need, we got you covered.

Shirt and Shrimp: Yes, please provide us with approx. 12 ft. of table space as well as an electrical outlet nearby.

How many and what animals do you bring? Is there a lot of water splashing or spills?

The salt water animals that we will bring depend on the day's availability and the diver's "Catch of the Day." Examples range from sea stars, to hermit crabs, or sea snails. All animals are safe to touch. While we strive to be as careful as possible with the water we will bring, small drops of water may fall to the ground during the touching activity.

Party on the Beach guests may be surprised by a moray eel or puffer fish.

How many guests can you accommodate?

We do birthday parties of any minimum group size, and up to 200 children.

How long and when are the birthdays?

Party at the Beach: Fridays, Saturdays, or Sundays late afternoon. Alternative times may be available.

Shirt and Shrimp: any day at a time that's convenient for you. Mobile party package price covers the first hour of the party. Additional time can be added for a fee. Our staff will arrive 15 to 30 minutes early in order to set-up.

Do you provide a show or demonstration?

The mobile birthday party experience does not include a show or demonstration: we offer activities for your guests as well as touching animals and casual educational content with our knowledgeable educators.

If you are looking for a science demonstration or class, please inquire about our laboratory classes.

How do I know if you have a certain date available? How do I book?

Please call our Education Department at (808) 841-8080 or make an online request for information.

A deposit of \$100 payable by credit card over the phone is required to secure a date. Deposits are non-refundable unless notice of date change or cancellation is given at least 14 days prior to your party reservation date.

Good to know: Party at the Beach Safety Guidelines

Proper closed-toe footwear is required. Rental reef walk shoes are available upon request for \$5.00 each when requested 48 hours in advance. This activity is not suitable for kids under 4 and is subject to ocean conditions and group size. Swimming is discouraged.
